My dear Professor McLay:

It is very kind of the Faculty and Students of McMaster University to invite Mrs. Falconer and myself to the annual At Home on Friday evening, the 28th November. Will you kindly express to the Faculty and Students our appreciation of the invitation, but regret that other engagements will prevent our being present?

With kind regards, I am,

Yours sincerely,

President.

March 27th, 1914.

President Falconer,
University of Toronto,
Toronto.

Dear President Falconer:-

In the absence of Chancellor McCrimmon,
I beg to inquire if it would be possible for our women
students to secure the privilege of exercise and instruction
at the gymnasium of the School of Household Science. If so,
they would be glad to pay the necessary fee and make such
arrangements as to hours as would prevent their presence
causing any inconvenience to the regular students of the
School.

Trusting that in due course you may be
able to reply favorably,

I am,

Yours truly,

Professor W. S. McLay,

McMaster University.

Dear Professor McLay:

I have your letter asking whether it would be possible for the women students of McMaster University to secure the privilege of exercise and instruction at the Gymnasium in the Household Science Building. I think the Board of Governors would be glad to have the students of McMaster use it provided there is sufficient accommodation for all who want to use it. I will take up the matter as soon as I possibly can with Dr. Barton and Miss Coventry and let you know further about the matter.

With kind regards, I am,

Yours sincerely,

President.

Professor W. S. McLay,

McWaster University.

Dear Professor McLay:

Dr. Seath has asked the Universities to appoint some representatives to meet in his office next Saturday morning, May 9th, at 9:30 in order to discuss the matriculation prescription in Physics and Chemistry. Professor McLennan will represent us in Physics and I am now asking Professor Lang of Chemistry to see that our Department is Chemistry is also represented. Perhaps you may wish to have some representatives present also.

With kind regards, I am,

Yours sincerely,

President.

THE DEAN IN ARTS

TORONTO, CANADA

June 9th, 1914.

Dr. J. W. Barton,
318 Palmerston Boulevard,
City.

Dear Dr. Barton:-

At a meeting of the Executive of the Board of Governors on Thursday evening it was decided not to take any final steps regarding the use of the gymnasium of the School of Household Science until the opening of the term in September. The members of the Board were grateful to the authorities of the University of Toronto for being so good as to grant our women students the privileges of the gymnasium on the conditions stated by you - namely three times a week for 50 students at a minimum of \$200.00 - but they preferred to wait until they could learn how many of the young women would avail themselves of the opportunity. They are willing to aid them somewhat but they first wish to assure themselves of the sincerity of their desire for exercise. In the meantime they instructed me to inquire as to whether the women students of the University pay a fee, and if so, how much. I have an indistinct recollection that you said they paid \$4.00 a year, and should be glad if you could confirm or correct me in regard to that. If the Toronto women students pay a fee, it will be easy for us to ask ours to do likewise; but if not, we shall have to pay a larger share of the \$200.00 than otherwise. I shall be obliged if you can let me have information

Dr. J.W.B. (2)

on this point.

Trusting that your kind offer will be available
in October, and thanking you for your courtesy,

I am,

Yours truly,

W. S. W. M. Fay
